We celebrate Gordon's retirement from full time ministry next Sunday. Please note there will not be an Evening Service that day.

Please excuse the appearance of the church whilst the refurbishment work is underway. We apologise, but the "T-Loop" for hearing aids is not working at present.

The Woking Schools' Christian Assembly team are recruiting for a Full Time Primary Schools Worker. Please speak to Eric if you know somebody who might be interested.

There are a lot of vacancies on the church flower rota in the coming months; perhaps you would like to remember a special event by providing the flowers on a Sunday. They are usually packed up after the evening service and sent to any of our friends who might need their spirits cheering up, but if you have a particular person in mind, please speak to Rita, who can also help with any other questions.

The next Guildford Network Celebration is being held at Millmead on 22nd June at 6.30pm. The worship will be led by some of the youth from our network churches and the evening includes the Association Roadshow which will be highlighting God's work from across the new association.

Mave Whitchurch will be speaking (Association Youth Officer) with input from the whole Association Leadership Team.

The June Church magazine is now available. Please take a copy if you have not already.

Stephen would be grateful for any Sainsbury's Active Kids or Tesco Computer for Schools vouchers that you may not have any other outlet for.
